5	Moscow City Government	Svetlana Gromyko, Section Chief of Investment division, Moscow Department of Science, Industrial Policy and Entrepreneurship	
6	Moscow City Investment Agency	Leonid Kostroma, general director	
7	"Small business of Moscow"	Alexander Bogza, general director	
Moscow Special Zones representatives			
8	Technopolis "Moscow"	Igor Ischenko, general director	<p>Nanotechnology and advanced materials. Medical technology and equipment, biological medical products. Microelectronics. Optics. Robotics, industrial automation. ICT (Information and Communication Technologies). Other high technology industries. www.technomoscow.ru</p>
9		Anna Gorbatova, innovation development director	
10	Technology park "Sapphire"	Alexander Smetanov, general director	<p>Microelectronics, optoelectronics. Reproduction of integrated microcircuits and solid-state devices. Development of print work authenticity validation devices. www.tpsapfir.ru</p>
11	Technology park "Caliber"	Sergey Sevostyanov, general director	<p>Development of telecommunication technologies, manufacturing of telecommunication equipment and navigation systems. Development and manufacturing of machinery and machine tools. Development of IT technologies and software. www.kalibroao.ru</p>
12	Technology park «Pulsar»	Valery Burobin, general director	<p>Microwave and power electronic components for:</p> <ul style="list-style-type: none"> - Modern radar systems, ground-based dual-use, including air traffic control; - On-board and ground equipment of strategic purpose; - Equipment for space applications, including complex "Glonass".
13		Anton Troshenkov, financial director	

			LED lighting devices. www.gz-pulsar.ru
14	Technology park «VTI»	Boris Reutov, general director	New types of equipment and materials. Nuclear power plants technologies. New devices technologies. Renewable energy sources, especially bioenergy equipment. www.vti.ru
15		Tamara Chernikova, assistant	
16	Technology park «Nagatino»	Dmitry Shvetc, general director	Software, medical technology and new materials. Telecommunications technologies and navigation systems. Optoelectronics and microelectronics. Energy technologies, energy efficiency.
17		Anna Ugolkova, first deputy director	
18	Special economic zone "Zelenograd"	Vladimir Zaytcev, general director of Zelenograd Development Corporation	Microelectronics. Energy efficiency technologies. Biotechnology and pharmaceuticals. ICT (Information and Communication Technologies). Other areas of high technology science and industry business. http://www.russez.ru/
19		Artur Abgaryan, executive director of Zelenograd Development Corporation	
20		Boris Omarov, general director of the resident «Khimautomatica»	
21	Technology park «Temp»	Valery Makovetsky, financial director	Computer technologies, software. Energy efficiency technologies, energy security. Nanotechnologies and nanomaterials. IT-technologies. Optoelectronics, microelectronics, manufacturing equipment. Space and telecommunication technologies, telecommunication equipment, navigation systems. Medical technologies, medical-ray products, medicines. Other high technology industries. www.temp-tech.ru
22		Vladimir Krikushenko, deputy director	
23	«VNIIMETMASH» enterprise	Alexander Pirozhenko, general director	Mechanical engineering. Metallurgical machine building. Aerospace technologies. Aeronautics. Nuclear power. http://vniimetmash.com/en/
24		Peter Gebhardt, development director	
25		Nikolay Trushko, brand manager	
26	Technology park «RIKOR»	Habib Abdullaev, international relations Vice-president	Space and telecommunication technologies, telecommunication equipment, navigation systems; Computer technologies, software; Optoelectronics, microelectronics; New materials; Mechanical engineering, instruments' production. http://www.rikor.com/
27	Technology park «Itelma»	Alexander Postnikov, president	Components for the automotive and aircraft industries. Electronics. Energy consumption metering devices. http://en.itelma.ru/
28		Sergey Sharov, deputy director	
29	Technology park «Strogino»	Sergey Teplov, general director	ICT (Information and Communication Technologies). Medical technology and equipment, atomedics, genotyping, surgical equipment. Pharmaceuticals, instant diagnosis. Power-saving technology, energy efficiency, energy security. Innovative appliances and devices. www.tpstrogino.ru
30		Andrew Yakovlev, general director of resident «R Optics"	
31		Galina Talaeva, head of international relations department	
32	Moscow State University Science Park	Oleg Movsesyan, general director	The MSU Science Park mission is to stimulate innovation within the university with activities designed to bring about structural changes in Moscow's economy. http://www.sciencepark.ru/en/
